

An aerial photograph of a coastal development. In the foreground, several modern, multi-story buildings with flat roofs are covered in lush green vegetation. These buildings are arranged in a cluster, with some featuring terraces and balconies. To the right, a hillside is dotted with numerous smaller, traditional-style houses with green tiled roofs. The background shows a large body of water, likely a bay or lagoon, with a few small islands. In the distance, a range of mountains is visible under a sky with soft, wispy clouds. A faint rainbow is visible on the left side of the sky. The overall scene is a blend of modern architecture and natural beauty.
