Description

Amazing view... Tastefully renovated over 2,800 sqft, 4 bedroom, 3 bathroom house located in the most sought after Upper Delbrook area. This south facing, sun drenched house is located in a peaceful & quiet yet easily accessible & family friendly neighbourhood. Some of the many updates in the past recent years are new roof in 2017, new kitchen and bathrooms, new flooring, high efficient furnace & hot water tank, home automation, new stone cladding & more. From the first impression & curb appeal of the house to the point of entering to that staggering view, plus the flat oversized patio and backyard on the lower level, this house won't disappoint you.
