Description

Welcome to Nahanee Woods – A popular enclave of Townhomes nestled in the desirable Northlands neighbourhood! As you drive in through the security gates you will be impressed with the manicured gardens, meticulously maintained buildings, and cozy community feel. Entering the home you will notice the open concept living and dining area with bright skylights, vaulted ceilings and lovely pre-finished oak flooring on the main level. The floor plan offers the convenience of a master bedroom on the main floor, an attached double garage, and bright west exposure. The kitchen is open to the family room with sliding doors that lead out to a private recently-renovated back deck surrounded by a shared grass area. This amazing private community is close to parks, hiking trails, skiing, and golfing.
