Big Open Spaces

Whether it's after-work drinks, a birthday party for your kids or a sophisticated dinner for six, every Emerson home is designed with you in mind.

A combination of simplicity and functionality, Emerson features open plans for spacious living with large windows for abundant light and air and meticulous attention to every detail. At Frame, we know every inch matters. This means from the moment you walk through the door, You're Home.

Thoughtful Design

Emerson homes are designed to be lived in the way you want to live. Our flexible spaces can function as a place for your visiting family, a movie room, a home office, or even your personal home gym. The options are endless.

An Entertainer's Kitchen

You want to entertain. To host your friend's for cocktails, game nights or dinner parties. Our open concept kitchen, living and dining rooms let you do it all in style, including a purposeful island that provides additional space for prep work, dining or cocktails. Next game night is at your place.

E

Your Private Park

At Emerson, your private patio is coupled with a sprawling 1,000+ square-foot park exclusively for homeowners, which serves as more than just an escape. It's where your connections will be nurtured. We believe in creating a place that is fundamentally about people - you, your neighbours, your families and your guests are the heartbeat of our communities.

Bedroom Bliss

In the primary bedroom, expansive windows invite you to savor peaceful moments with a book during a rainy afternoon while enhancing the room with natural light, creating a brighter, more airy space. Coupled with generous storage options, these elements ensure the bedroom is your sanctuary of comfort, light, and practicality.

The Area

Emerson offers a life surrounded by community spirit and natural beauty. Envision living among heritage homes and tree-lined streets, where the vibrant arts scene and close-knit community echo the area’s rich history. Just a short walk to Fernwood Village and Hillside Mall, and with excellent bus connectivity right on your doorstep, Emerson blends the charm of suburban life with the convenience of city living.

Road Network

For those who prefer to drive, Emerson provides easy access to major roadways such as Shelbourne Street and Bay Street, which connect directly to the Trans-Canada Highway and Pat Bay Highway respectively, making it easy to get around the city and beyond.

Bike Network

Oaklands is known for its extensive network of bike lanes and paths, which provide a safe and convenient way to get around the neighborhood and beyond. With a bike score of 94, Oaklands is considered a biker’s paradise, and Emerson is the perfect place for residents who want to take advantage of this convenient and sustainable mode of transportation.

Public Transportation

Emerson benefits from direct bus connectivity, providing a convenient and sustainable transportation option for residents to reach other parts of Victoria, including downtown, the University of Victoria, and the surrounding neighbourhoods. With a variety of bus routes available, residents will have access to all the amenities and attractions that Victoria has to offer.
