The Team

URBANWOOD

We're passionate about what we do - from taking care of the smallest details to how our homes will contribute to the lives of the families that live in them. This care and attention is the foundation of everything we do, and over the years, we're proud to have established a reputation as a trusted developer of homes that not only enhance local neighbourhoods but create exceptional living spaces for our homeowners.

Specializing in smaller, boutique communities that allow us to focus on every detail, Parkvue is Urbanwood's first significant community in Victoria, and it marks the next step in our growth with many more communities to come.
